

KNOB

TWIDDLER'S
DIGEST

IN ORDER TO EXPLAIN SOME OF THE ENGINEERING POLICY ~~AS IT PERTAINS~~ TO YOU, I AM GOING TO BE WRITING THIS LETTER AND A SHORT ARTICLE IN THE "STATION BREAK". AS FAR AS CURRENT POLICY GOES, THE THINGS THAT I WANT TO POINT OUT MAYBE ALREADY SELF EVIDENT. THE SUPERVISORY STAFF HAS BEEN REORGANIZED AND YOU SHOULD TRY TO CONTACT THE PROPER PERSON. (A MORE COMPLETE EXPLANATION FOLLOWS IN "STATION BREAK") ANY ONE OF THE ENGINEERING SUPERVISORS CAN HELP YOU FIND THE RIGHT SECTION.

WE HAVE ~~ALSO ADDED SOME~~ THINGS, WE HAVE AVAILABLE A SOCIAL SECRETARY SHE WILL ARRANGE DATES FOR YOU AND ARRANGE EXCHANGES FOR THE DEPARTMENT. IN ORDER TO TRY THIS SERVICE OUT, THE SUPERVISORS AND MYSELF HAVE DECIDED TO TAKE A DATE TO THE UNION MOVIES OR ONE OF THE SIMILAR NEAR BY SPOTS ON FRIDAY MAY 20TH. YOU ARE CORDIALLY INVITED TO JOIN US, IF YOU NEED A DATE, CONTACT MIKE LARKIN IN THE NEXT COUPLE OF DAYS AND HE WILL CONTACT THE SOCIAL CHAIRMAN SO SHE CAN GET STARTED. WE HAVE ALSO CHANGED THE PROGRAM DEPT. TO A BASEBALL GAME AT THE STATION PICNIC, SO IF YOU HAVE ANY PARTICULAR POSITION THAT YOU WANT, CONTACT MIKE LARKIN.

I URGE YOU QUITE STRONGLY TO ATTEMPT TO TAKE THE STUDIO ENGINEER'S TEST. STAFF STATUS IN THIS DEPARTMENT HAS MANY ADVANTAGES, I WILL MENTION A COUPLE HERE. FIRST, ONLY STUDIO ENGINEERS WILL BE ABLE TO DO REMOTE AND SPECIAL EFFECT BROADCASTS (THIS INCLUDES BASKETBALL). SECONDLY, WE PLAN TO INSTITUTE A TRAINING AND "BUDDY" ENGINEER SYSTEM FOR NEW ENGINEERS NEXT FALL AND WE WILL BE RELYING ON YOU TO PROPERLY INTRODUCE THESE PROBATIONARY ENGINEERS TO WPGU.

GEORGE T. DIXON
CHIEF ENGINEER
